## **World Mission Sunday**

Today is World Mission Sunday, it is an opportunity for every Catholic community in the world to support the missionary work of the Church through prayer and offerings. The collection taken today will go directly towards helping those in areas of poverty across the world.

I have had the privilege of seeing the Church in Southern India, in Kenya and in Indonesia. Common to all is a vibrancy and an that brings optimism hope despite what are often difficult material circumstances. "Life is a mission

Every man and woman is

a mission; that is the

WORLD MISSION UNDER 201 UCTOBER 201

reason for our life on this earth. To be attracted and to be sent are two moments that our hearts, especially when we are young, feel as interior forces of love; they hold out promise for our future and they give direction to our lives. When I think back to my youth and my family, I remember the strength of my hope for a better future. We are all called to reflect on this fact: 'I am mission on this Earth; that is the reason why I am here in this world' (Evangelii Gaudium, 273)" - an extract of an abridged version of the Holy Father's Message for World Mission Sunday.
