PARISH PASTORAL COUNCIL – NOMINATION FORM

Nominations are invited from practising Catholics who worship regularly at the Sacred Heart. They must be able to contribute effectively to the work of the PPC and be willing to give the commitment required from a PPC member.

The job of the Parish Pastoral Council is to work co-operatively with the Parish Priest, Parish Team and the parishioners to assist the entire parish community to achieve the mission of the Church in the local community.

The Parish Pastoral Council is accountable to the parish community for its work and gives high priority to ensuring regular, effective and timely communication with the parish. The detailed guidelines for the working of the PPC are included in the PPC Handbook which is available on the parish website.

The lay members of the PPC together act as an advisory body to the Parish Priest. They do this through a process of praying together; discerning needs and priorities; and sharing practical wisdom and experience in order to advise on major decisions which may affect the life and well-being of the parish.
