

MARRYING OUTSIDE OF YOUR HOME PARISH

If the you live outside the boundaries of the sacred Heart Parish you must get the written consent of the parish priest of the parish where you live. Only then are we able to agree to conducting the wedding in the Sacred Heart church.

There is a supplementary fee for marriages from outside of the parish of £200, a contribution to the upkeep of the church. Those who live in the parish or whose families live in the parish and support the church by their weekly offerings are eligible to marry in the church without paying this supplement.
