

WHO WILL CONDUCT THE WEDDING?

Whether you live in the parish or not, a member of the Sacred Heart clergy team will work with you as you prepare for the wedding. The priest of the parish will be the principal celebrant unless the visiting priest is a family member – when, if you wish, they would be welcome to be the Principal Celebrant. If you would like another priest to attend the wedding, they would be very welcome to con-celebrate and take an active part in the ceremony.
